Document Number 61A - (LOS ANGELES MURKIN)

Document number 61A, serial LA44-1574-Sub D-121, is a one-page FD-302 dated April 25, 1968.

This document was denied in its entirety pursuant to exemptions (b)(7)(C) and (b)(7)(D), which were used in conjunction with each other to protect the identity of an individual who was able to confidentially furnish information to the FBI as a result of his employment. Release of this information would not only result in an unwarranted invasion of his privacy, but would also reveal his confidential relationship with the FBI. (See paragraphs 13d and 14b, respectively, supra.)

Exemption (b)(7)(C) was also cited singularly to withhold personal financial information regarding a third party that was furnished by the above source. Disclosure of this individual's financial records would create an unwarranted invasion of personal privacy. (See paragraph 13b, supra.)
